### Business Development (Micro Ecosystem)

Feb 2024 – Juni 2024

Certified Internship – Kampus Merdeka, PT Bank Rakyat Indonesia (Persero) Tbk

#### (Regional Office Bandung)

- Processed and analyzed micro business unit (BRI Unit) performance data across the Regional Office Bandung to generate actionable insights, which were redistributed back to branch units for evaluation and continuous improvement.
- Participated in drafting micro ecosystem development programs (MSMEs/ultra-micro) based on communities and business clusters, contributing ideas for cluster development and Desa BRILiaN empowerment.
- Assisted in monitoring and evaluating empowerment programs such as Desa BRILiaN, Klasterku Hidupku, and Mitra UMi training.
- Produced video documentation to update work visit reports, which also served as promotional content for activities such as QRIS acquisition, business cluster development, and Desa BRILiaN programs.
- Spearheaded **QRIS acquisition at Kephuh Market, Kuningan**, onboarding **505 merchants within 1 month**, driving digital payment adoption among traditional traders.
- Successfully **acquired 645 QRIS merchants at Ciawitali Market, Garut, in just 3 weeks**, accelerating financial inclusion and strengthening BRI's presence in the region.
- Collaborated cross-departmentally (Small Business, BRILink, and Retail Payment) to strengthen synergy and expand micro ecosystem impact.
- Engaged in outreach and field data collection for MSME incubation programs, supporting BRI's goal of sustainable community-based empowerment.

- Managed brand identity to increase consumer awareness.
- Created engaging and informative content for various digital platforms.
- Acted as talent in content creation across different digital channels.
- Collaborated with design, content writing, and other teams to align marketing efforts.
- Collected and analyzed market forecast data to identify opportunities and improvement areas
