082134623604 | maulanamustofa338@gmail.com | www.linkedin.com/in/maulanamustofa

Bekasi, Indonesia

I am a Management graduate with a concentration in Marketing from Universitas Negeri Semarang, with a primary interest in business development and marketing. I have a strong understanding of B2C marketing strategies, product and market research for product development, business partnerships, and digital marketing. I am committed to continuously developing my skills through active participation in various training sessions and activities to achieve optimal and high-standard results in every task I undertake.
