SUMMARY

Aspiring event and brand activation professional with proven experience in end-to-end project execution, stakeholder coordination, and immersive on-ground activations. A recent graduate in Event Management from Universitas Prasetiya Mulya, I completed my latest role as a Brand Activation Apprentice at PT HM Sampoerna Tbk., where I contributed to strategic campaigns for smoke-free products. I also proudly represented Indonesia at the AFECA Asia MICE Youth Challenge 2024 after earning 2nd Runner Up at the national level. With a strong foundation in both creative and operational aspects of event production, as well as a track record in internships, freelance work, and student leadership, I bring a detail-oriented mindset, creative edge, and collaborative drive to every experience I take on.
