

SHERLY OCTAVIA, S. AK

OBJECTIVE I'm SHERLY OCTAVIA I graduated with a Bachelor's degree in Accounting from the YAI Jakarta College of Economics in 2022. I am an accountant with work experience at PT Elco Mandiri Indonesia as an Accounting & Tax professional. I am currently active as a freelance marketer/online business owner.

I enjoy learning new things. I am currently undergoing coding training as a foundation for using Industry 4.0 era systems. I am competent and able to work both in teams and individually.

I will contribute these skills to realizing the company's goals.
